

February 20, 2009

Dear Interior Design Professional,

Thank you for supporting our local IIDA Wisconsin Chapter during the past year. You are an important part of our group. Our records indicate that you have not yet renewed your IIDA membership, which expires- soon. Renew today and enhance your network and professional commitment to the future of design!

This is your opportunity to keep your IIDA membership active by going to IIDA's website. Login at www.iida.org then select Renew Dues listed under My Account. After logging on to the website, Username = member ID #; Password = first initial of first name and last name, up to 10 characters.

IIDA is very aware of recent economic hardships – we live in this world, too - and initiatives have been created to assist in making your decision to renew an easy and beneficial one. We now offer a payment plan and special categories of membership for retired individuals or members who have had changes in their employment status.

Attached is a copy of the 2009 IIDA Payment Plan Form, which can be filled out and sent directly to IIDA Headquarters accounting department. This plan will allow you to make payments in 2-6 installments. There is a one-time \$25 service fee included, which will be included in your first installment.

Retired status is offered to any Professional Member, currently in good standing, who is not practicing and has no intention of returning to the practice of interior design. This is a permanent category. 2009 dues are as follows:

Professional Retired - \$189

Inactive status is offered to any Professional and Associate Member, currently in good standing, unable to practice interior design due to unemployment, relocation, maternity leave or prolonged disability or illness. This is a temporary category; it is reviewed annually during the renewal process. 2009 dues are as follows:

Professional Inactive - \$230

Associate Inactive - \$137

Associate II Inactive - \$206

Associate III Inactive - \$230

If you are interested in these status options, you must contact IIDA's Director of Membership, Lisa Toth ltoth@iida.org directly, stating the reason for the request. She will evaluate your request and contact you directly if the change of status is approved.

Investment in continued IIDA membership will give you an invaluable professional edge. We're here to expand your network and your opportunities.

We hope you will renew your IIDA membership today! We invite your questions and comments, so please feel free to contact us at the number below. We look forward to working together and your continued participation.

Thank you for your support.
